

Advanced Standing for Math 1015 – Student's Guide

New Student Orientation 2009

Students may qualify for Advanced Standing for Math 1015. Below is information on Advanced Standing to help you decide if this is the best choice for you. Students must meet all three of the following criteria to first qualify for Advanced Standing in Math 1015.

- A. Have a Math SAT ≥ 570 OR ACT MATH ≥ 25
- B. Have a high school class rank in the upper 30% (if their high school ranks)
- C. Have completed four units of high school math (beginning with Algebra I)

Earning Credit—Advanced Standing can be validated in several different ways at Virginia Tech. Consult with an academic advisor.
